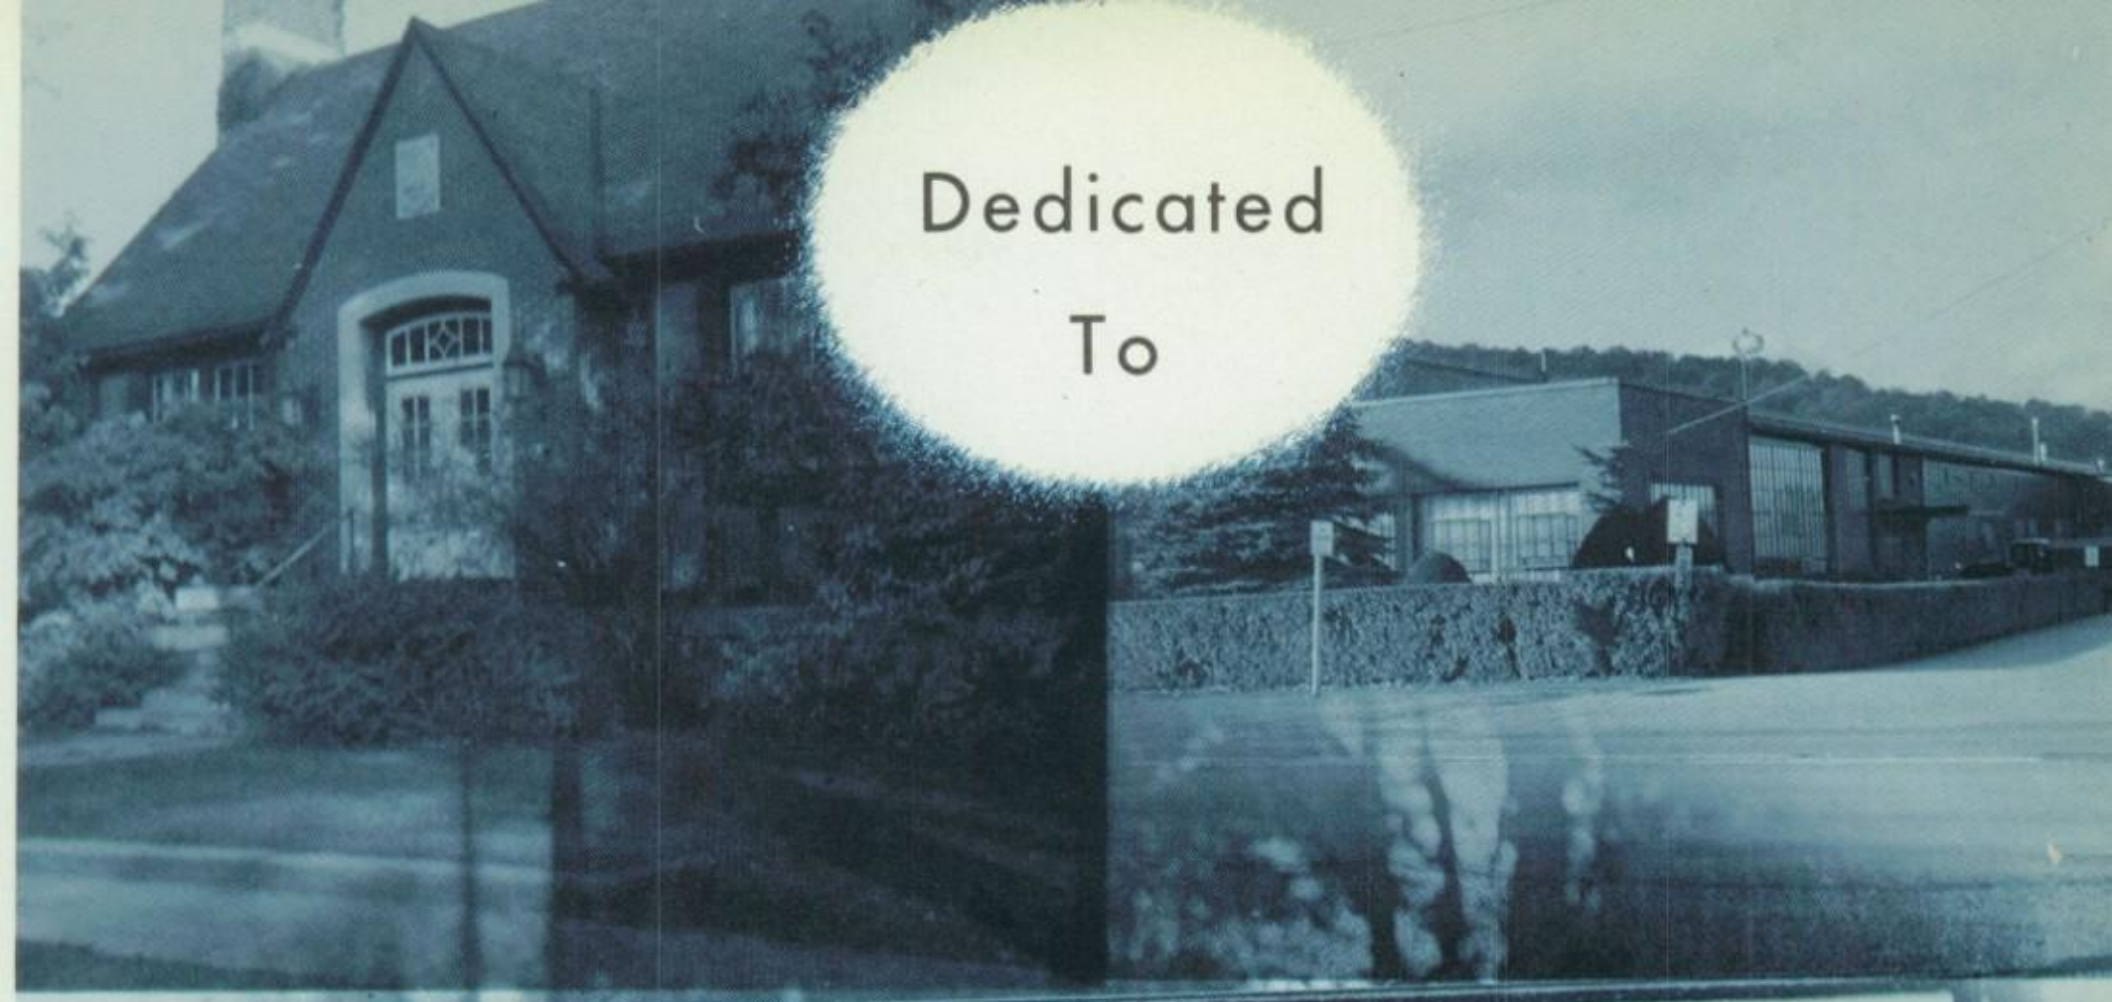
The Senior Class
Of
Cuba Central School
Presents
The Gargoyle
1962
Cuba, New York

Foreword

We the Senior class of 1962
wish to forward the memories of
this school year to the student body
of C.C.S. All these memories have been
in our community. This yearbook has been
designed to hold them for everyone in the future.



We the Senior Class wish to dedicate this 1962 Gargoyle to our community. Most of us have grown up here and are proud to be a part in contributing to the good of our town. We know our community will serve many more graduating classes as it has served us.

Who's who in '48

Mr. Alfred Colburn has been principal of C. C. S. since 1937. During this time our school district has moved its school from Medbury Avenue to Elm Street. In 1954 The Elementary Building was added to the system. Mr. Colburn has served Uncle Sam as well as Cuba. We appreciate the help and guidance he has given us and we hope Mr. Colburn will continue for at least 25 more years.

Student Council

Caught in the act.

Mr. Perry, advisor.

The Student Council consists of class representatives who govern the student body. This year the Student Council has been patrolling the halls and controlling the flow of pedestrian traffic on the school lawn. They have also had several dances and a ball point pen sale.

The Student Council will always represent the school faithfully.

Future Farmers

The Future Farmers of America represent the material for the future nourishment of our country. These boys will be the outstanding ones in their field. This group has been fortunate enough to have Jim Luckey and Carlisle Rix represent them in Kansas City for the National F. F. A. Convention. Among their many projects the tractor seat sale has given the most aid and comfort to our present farmers. Sponsoring the school fair is one of their greatest services to the school.

National Honor Society

The purpose of the National Honor Society in Cuba Central School is to promote higher scholarship among the students. Each year twenty percent of the Senior Class become members of the Society. The members of the high school faculty select the promising candidates. Each candidate is considered on the basis of scholarship, leadership, character, and service. Mr. Colburn, principal; the advisor of the class, and Mr. Knowles, advisor of the Society select the members. Being a member of the Society is the highest honor which can be awarded to a student in Cuba Central School.

Alumni Tea

The library club and the library itself, have been in existence as long as our school. We owe to both these organizations a sincere debt; the library for the enjoyment it offers and the help it is to us in our school work; and the library club for its fine work in keeping this facility in excellent condition.

Today our community is growing; our school is growing; the challenges to our graduates are increasing. Our library must grow to meet this rapid extension.

TEAM

Track

Cuba's 1961 track team had a successful season coming out on top in three out of five meets. Cuba defeated Richburg, Alfred Almond, Scio, Friendship, and Andover during the year. In the Sectional Meet at Rochester, Ronnie Kottwitz took first place in the shot put for Cuba.

This season Ronnie Kottwitz set a new record in the shot put with a throw of 48' 1 1/4". Also our 440 yard relay team, consisting of Jim Tingley, Tom Frungillo, Jim Lee, and Len Thompson, turned in a record time of 48.2 seconds.

These lettermen were lost: Mark Higby, Len Thompson, and Fred Thomas.

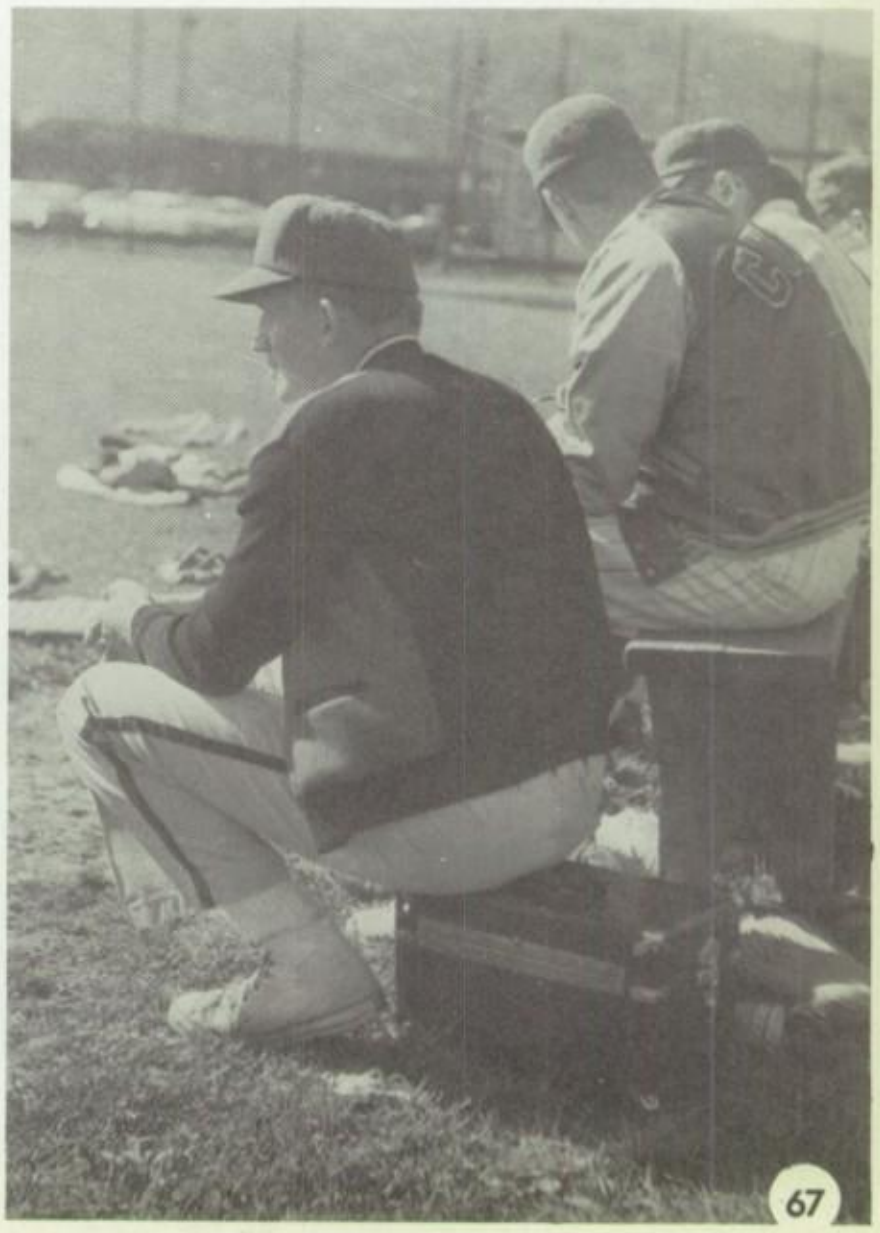
TEAM

Baseball

For the third consecutive year, Cuba won the county Baseball Championship. Although thirteen of the eighteen boys on the squad were Freshmen and Sophmores they extended an undefeated string, which began with the previous season's undefeated team to nineteen games before losing in the sectional play-offs.

Missing from the team this year will be Tim Rinker, Larry Runyan, and Captain Mike McLaughlin. You understand why Coach Harbeck is optimistic as the coming season approaches when you realize that eight positions will be filled with lettermen from last year's championship team.

Don't give up now, Coach!



Spear up next !!!

Football

The Cuba Central School football team had a somewhat disappointing season coming out the victor in only one game. Cuba defeated Franklinville in the second game of the season. Despite Cuba's Losses the squad put on a good showing against the Bolivar club, rated best in the Alle-Cat League.

Basketball

The 1961-62 basketball season for C. C. S. had its bright spots and also its dark ones.

The most disappointing loss of the season was the loss to Bolivar on our home court.

The final game of the season proved to be the most exciting as we knocked towering Alfred Almond out of first place with a 42-41 victory.

Cuba's overall record was 10 wins and 8 defeats, while in league play an 8-4 record was good for third place.

Ron Kottwitz, Dale Briggs, and Jim Lee will be missed next season, but nine boys are returning to paint a bright future for C.C.S.

fellows we played our damn
near superior. Well
best of luck anyways.
Hank

Dear Laura,

Best of luck to you during your finals. I'm sure you will do well. My time was short but I was able to come by your house and drop off a letter. You can be sure I'll come by again sometime soon. Hope you get a good night's rest and come back refreshed. Two days and you're done! Chicken, broccoli, and four bean casserole. We'll come back with some more cookies. Stay warm!

Love,

Steve

P.S. I got to have some more time with Grandpa. He's old, but he's still sharp as a tack.

I owe a lot to Professor Chemistry Student. Thanks for the help.

Mike
